Eco-Friendly Vehicle Protection Products

SUSTAINABLE
PROTECTION

1

YEAR
LIMITED
WARRANTY

EcoProProducts are industry-leading Appearance Protection Products that provide unprecedented protection with laboratory proven strength.

Benefits of EcoProProducts:

- Protect the interior and exterior of your new or used vehicle.
- Provide resistance against potential future damages or microbes.
- Products are water-based, non-flammable, environmentally friendly solutions that contain no VOCs, CFCs, ODCs, HAPs or solvents.

MicrobeRepel

- Stain and odor resistant.
- Eliminates 99.9% of microbes and germs that cause bacteria and viruses.
- Contains product on the list of EPA's disinfectants for use against SARS-CoV-2, the coronavirus that causes COVID-19 (EPA Reg. No. 82972-1).
- Hyper-green solution with permanent protection.
- Bonds to virtually all interior materials and surfaces, including the ventilation system and cargo area.

ExteriorShield

- UV Damage.
- Increases exterior surface protection and reduces damage from environmental hazards.
- Superior resistance to damage caused by oxidation, hard water etching, insects (including lovebugs), bird droppings, tree sap, road de-icing agents, salt, and acid rain.

Automobiles, Trucks, and SUVs are eligible for the 1-year limited warranty coverage. Products are insured by A (Excellent) rated carriers and are non-cancelable and non-refundable.
